

Course title	Religious life in Salonae according to literary and epigraphic sources
Course code	KBP 422
Type of course	Optional
Level of course	High
ECTS	3 ECTS credits: 0.5 lectures 1.5 literature study 1.0 preparation and examination activities
Name of lecturer	Course director: Assistant professor Josip Dukić Ph.D.
Learning outcomes and competences	Knowledge of the early Christian period (4th-5th c.) on the territory of the Roman province Dalmatia; Knowledge of the literary and epigraphic sources relevant to the history of Salonae; Knowledge of the early Christian Salonitan topography; Knowledge of some aspects of the religious life in Salonae;
Prerequisites	
Course contents	The course is divided in three parts. In the first part, literary and epigraphic sources relevant to the history of Salonae are to be presented. In the second part, the past of the province Dalmatia and its capital Salonae is to be discussed, starting from the first Christian traces to the moment when the city was destroyed in the second quarter of 7th c. For the third part, a visit to the archeological site of Salonae is planned;
