

A large concrete cross stands in the middle of a calm sea. The cross is made of two thick, rectangular concrete beams. The water is a deep blue-grey, and the sky above is a pale, hazy blue with soft, wispy clouds. The sun is high in the sky, creating a bright, circular glow and a vertical lens flare effect that runs down the center of the image. The horizon is visible in the distance, with a faint line of land or mountains. The overall mood is serene and contemplative.
